

# Hameland Nevis Tall Table.

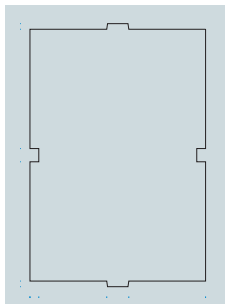

Standing imperiously and surveying the room before it, our Nevis Tall table takes it all in and gives an approving nod. This space will do nicely. Wherever it finds itself, the Nevis will always fit right in, with a series of finish options to perfectly complement its surroundings.

## Why choose a Hameland table.

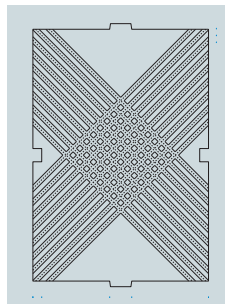

- Hameland tables are made from a 100% recyclable FSC paper-based material
- We only use water-based adhesives and all of our inks are GreenGuard certified
- Our products are light weight & flat-packed creating a smaller carbon footprint
- Every single product is lovingly designed & manufactured right here in Australia
