

Hameland Wee Bairn Table.

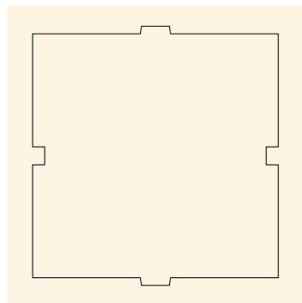

Of course, we realise that tables don't have chins. But if they did, you'd constantly be giving the Wee Bairns' chin a tickle. How could you help yourself? It's cute as a bug and looks adorable no matter where you put it. Up for adoption now.

Why choose a Hameland table.

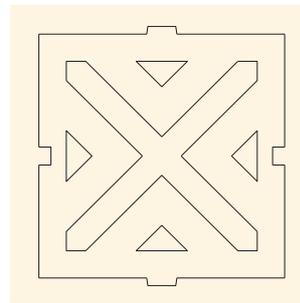

- Hameland tables are made from a 100% recyclable FSC paper-based material
- We only use water-based adhesives and all of our inks are GreenGuard certified
- Our products are light weight & flat-packed creating a smaller carbon footprint
- Every single product is lovingly designed & manufactured right here in Australia
