

# Hameland Nile Stay Table.

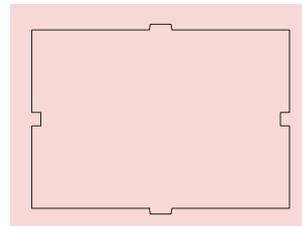

Nile Stay! Fret not, this magnificently engineered marvel isn't going anywhere. It will stay wherever you put, looking like a million bucks. And as the widest table in our Hameland range, you can customise it to your liking and put some sweet form and function in your life.

## Why choose a Hameland table.

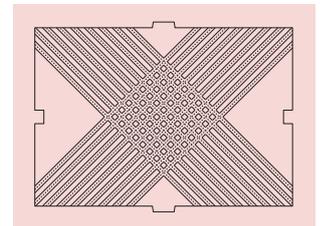

- Hameland tables are made from a 100% recyclable FSC paper-based material
- We only use water-based adhesives and all of our inks are GreenGuard certified
- Our products are light weight & flat-packed creating a smaller carbon footprint
- Every single product is lovingly designed & manufactured right here in Australia
